with you.

So if your way of life is
interrupted by an accident,
we get you back on your
way, right away.

Discover the ERIE Difference

An auto policy from Erie Insurance includes everything you'd expect and a lot of things you might not. That's because our policy goes beyond standard coverage with loads of **extra protection features**, giving you benefits you won't always find in other standard policies. And you get all of this at a great price, of course.

You also have the option of securing your price with the **ERIE Rate Lock**[®] feature.¹ That's right, even if you have a claim, your rates won't change unless you add or remove a vehicle or driver from your policy or change your address.

Built-In Extras

Check your policy to see if it includes things like...

First Accident Forgiveness. After three claims-free years with us, you won't be penalized the first time you're at fault in an accident. (Not applicable with the ERIE Rate Lock[®] feature.)

Glass, your stuff and your pets.³ Repair rather than replace a damaged windshield and we'll waive your comprehensive deductible.² Loss to personal property in your car is covered. And the furry members of the family are included in your policy too.

Travel expenses³ when an accident strands you. We're there for you. Travel costs like meals and lodging are covered if your car is disabled because of a covered loss.

More reasons to choose ERIE:³

- Automatic coverage for borrowed or rented vehicles
- Coverage for relatives who borrow your vehicle
- Waived deductibles in certain situations
- Locksmith charges covered⁴
- Road service at the site of an accident – with reasonable towing and required labor included

Your ERIE agent will be there to help you understand the policy and your coverages.

Flexibility to Customize

With lots of extra options to choose from, your ERIE agent can help you customize your car insurance. Here are just a few of the ways you can personalize your protection by adding coverages that won't break the bank.

Keep that New Car Smile

We offer coverage that doesn't depreciate the value of your vehicle. For just a few extra dollars a month, you can add coverage that gives you true replacement value for your ride if it's totaled. Ask an agent for details on new or better vehicle replacement, new car repair or lease/loan protection with **New Auto Security**.⁵

Put a Little Plus in Your Policy

For just pennies a day, you can get **ERIE Auto Plus**[®], a package that gives you features you'll be glad to have if you ever have an auto claim. It includes:

- **Diminishing deductible** – Your deductible is reduced for each consecutive claims-free year.
- **Transportation expenses** – If your vehicle is totaled, ERIE pays five to ten additional days of transportation expenses after we offer settlement.⁶
- **Increased coverage limits** – For things like emergency travel costs, personal items, sound equipment and non-owned trailers.⁷
- **Waived deductible** – The comprehensive or collision deductible is not applied when an ERIE homeowners deductible is paid.
- **Death benefit** – \$10,000 for you or a relative who dies due to bodily injury from an auto accident.

No Surprises at the Rental Car Counter

Adding **rental car expense coverage** will ensure you have transportation when you need it, if an accident puts your car in the shop.

- Choose from five classes of rental car options.
- Don't be limited to a compact car when you need something larger.
- Annual cost is typically less than a one-day car rental.

Zero Dollar Glass Deductible

For minimal cost, you can add **full window glass coverage** to your auto policy. With it, you pay no deductible for glass repairs or replacement and you get free wiper blades with a windshield replacement.⁸
