## Advancing Your Business's Insurance

ErieSecure Business is the comprehensive policy solution for all your business insurance needs. An evolution in the way ERIE approaches business insurance, ErieSecure Business offers additional coverage offerings at competitive pricing to protect what you've built.

### Benefits of moving to an ErieSecure Business policy include:

- Additional coverage offerings
- Competitive pricing with many discounts
- Real-time quoting and issuance of policy changes
- Opportunity to review and update your business's insurance needs

### Key ErieSecure Business coverage offerings include:

- Guaranteed Replacement Cost (GRC). An especially valuable coverage to have in the face of rising construction costs, GRC covers the full amount required to rebuild following a covered property loss.
- Cyber Suite (not available in NY). ErieSecure Business customers have an opportunity to add Cyber Suite—nine different coverages designed to help protect your business from common and potentially devastating cyber risks.

- Abuse and Sexual Molestation (not available in NY). This coverage provides legal defense and covers damages you become legally obligated to pay because of injury arising out of a covered claim.
- Employment Practices Liability now with Wage and Hour Defense Costs option (not available in NY). Even if your compliance is in perfect shape, it can be costly to defend your business on issues like sick pay, employment misclassification or meals and rest breaks. Wage and Hour Defense Costs coverage pays for legal defense costs arising from covered wage and hour claims or lawsuits.
- Unmanned Aircraft Liability (i.e. Drone Liability)
- The choice of three different enhancement endorsements tiers—Advantage, Plus, and Select—so you can tailor limits for key coverages your business needs.
