# Stable car insurance rates do exist.

It seems that the cost of just about everything is on the rise these days. With the ERIE Rate Lock® feature, even if you have a claim, your rates won't change unless you add or remove a vehicle or driver from your policy or change your address.<sup>1</sup>

**Even if you received a quote in the past, give ERIE another try. You might be surprised. Contact us today.**

<sup>1</sup>Rates subject to change if you add or remove a vehicle, add or remove a driver, or change your address or the place you usually park your car. ERIE Rate Lock® does not guarantee continued insurance coverage. Not available in all states. Limited to three years in Virginia. Insured must meet applicable underwriting guidelines. Premium may change if you make a policy change. ERIE life insurance and annuity products are not available in New York.
