it's good to have
an umbrella.

Be Ready for Anything

Unfortunately, bad things sometimes happen—and no one is immune. By simply driving a car, owning a home or entertaining friends, we all face the possibility that a tragic accident could occur.

An ERIE umbrella policy is designed to pick up where your auto or home liability coverage leaves off—protecting you from costly lawsuits that might result from an unexpected accident.

Umbrella Insurance that Gives You More

An ERIE umbrella policy offers:

- Higher levels of liability coverage in case a covered driver causes a tragic car accident, or an injury happens on your property
- Affordable protection for you and covered family members wherever you go
- Peace of mind knowing your financial interests are safeguarded
- A local Agent and superior claims service

Many people think only millionaires need umbrella insurance. Unfortunately, that's not true. In today's litigious society, anyone can be sued. Being prepared and protected with an umbrella policy means you can relax and enjoy the good times life has to offer.
